

BOURNEDANCE

SUMMER

WORKSHOP

2025

Get ready to groove and move at our 3-day extravaganza where students will immerse themselves in the world of dance, creativity, and excitement!

Over the course of three days, students will dive into the magic of Musical Theatre, Jazz, and Lyrical while also growing their confidence and cultivating friendships. They'll not only work on perfecting their dance moves, they'll also experience the joy of expression through dance while creating lifelong memories. All students also get the opportunity to participate in a Mini Performance at the B2D studio on the last afternoon for all parents to attend!

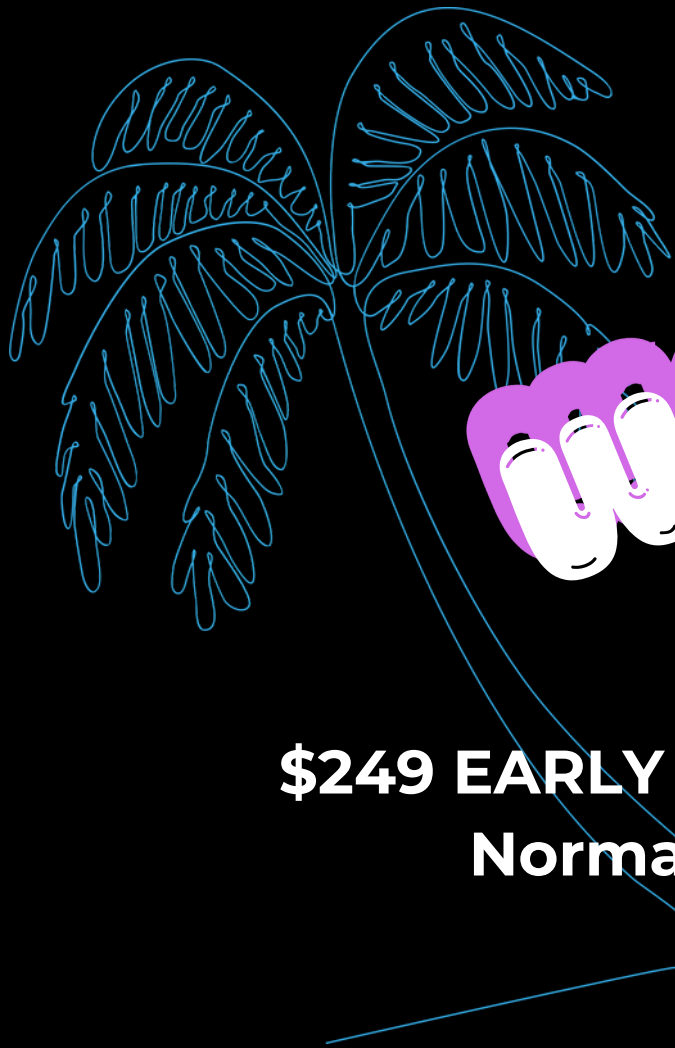

We also have other wonderful classes and activities during the workshop including Acro/Tumbling, Singing, & Costume Design classes, Movie Afternoon, Arts & Craft and our Student Showcase!

Join the Rockstar Karaoke Party on Day 2 where students will enjoy an afternoon of song and dance.

Walk the red carpet, strike a pose for the paparazzi, and indulge in games and prizes – it'll be a party to remember!
